RULES OF BOTH HOUSES OF PARLIAMENT

RESPECTING THE

LIBRARY OF PARLIAMENT.

A proper Catalogue of the Books belonging to the Library shall be kept by the Librarians in whom the custody and responsibility thereof shall be vested ; and who shall be required to report to the Houses through Mr. Speaker, at the opening of each Session, the actual state of the Library.

No person shall be entitled to resort to the Library during the Session of Parliament except the Governor General, the members of the Privy Council, and of the Senate and House of Commons, and the Officers of both Houses, and such other persons as may receive a written order of admission from the Speaker of either House. Members may personally introduce strangers to the Library during the day-time, but not after the hour of seven o'clock, P. M.

During a Session of Parliament no books belonging to the Library shall be taken out of the building, except by the authority of the Speaker or upon receipts given by a member of either House.

During the recess of Parliament, the Library and Reading Room shall be open every day in each week, Sundays and Holidays excepted, from the hour of ten in the morning until four in the afternoon ; and access to the Library shall be permitted to persons introduced by a member of the Legislature, or admitted at the discretion of the Librarians ; subject to such regulations as may be deemed necessary for the security and preservation of the collection ; but no one shall be allowed to take any book out of the Library except members of the Legislature, and such other as may be authorized by the Speaker of either House.

During the recess of Parliament, no member of either House not residing at the seat of Government shall have liberty to borrow or have in his possession at any one time more than three works, from the Library, or to retain the same for a longer period than one month.

No other person who may be privileged by card, by the Speaker of either House, to borrow books, from the Library, shall be allowed to have in his possession more than two books at any one time, or to retain the same longer than three weeks, and all such persons shall return the books so taken when required by the Librarians.

No books of reference or books of special cost and value may be removed from the seat of Government under any circumstances.

At the first meeting of the Joint Library Committee at every Session of Parliament, the Librarians shall report a list of the books absent at the commencement of the Session, specifying the names of any persons who have retained the same in contravention of either of the foregoing Rules.

RÈGLEMENTS

CONCERNANT LA

BIBLIOTHÈQUE.

Un catalogue des livres de la Bibliothèque est tenu par les Bibliothécaires qui en ont la garde et la responsabilité ; ils doivent faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.

Aucune personne ne peut avoir accès à la Bibliothèque, pendant les Sessions du Parlement, si ce n'est le Gouverneur Général, les membres du Conseil Privé, ceux du Sénat et de la Chambre des Communes, les Officiers des deux Chambres, et toute autre personne qui obtient un billet d'admission de l'Orateur de l'une ou de l'autre Chambre. Les membres peuvent en personne introduire des étrangers dans la Bibliothèque pendant le jour, mais non après sept heures P. M.

Pendant les Sessions du Parlement aucun livre de la Bibliothèque ne peut être emporté de l'édifice, excepté sur l'autorisation de l'Orateur, ou lorsqu'un membre de l'une ou de l'autre Chambre en donne un reçu.

Pendant la vacance du Parlement, la Bibliothèque et la Chambre de Lecture sont ouvertes tous les jours de chaque semaine, excepté les dimanches et jours de fête, depuis dix heures du matin jusqu'à quatre heures de l'après-midi ; et la Bibliothèque est ouverte aux personnes introduites par un membre de la Législature, ou admises à la discrétion des Bibliothécaires, sujettes aux règles qui sont jugées nécessaires pour la sûreté et la conservation des livres, mais il n'est permis à qui que ce soit, si ce n'est aux membres de la Législature et aux autres personnes ayant l'autorisation de l'Orateur de l'une ou de l'autre Chambre, d'emporter un livre hors de la Bibliothèque.

Durant la vacance du Parlement, aucun membre de l'une ou de l'autre Chambre, ne résidant pas au siège du gouvernement, n'aura le droit d'emprunter ou de garder en sa possession plus de trois ouvrages à la fois ; en outre, il ne devra pas les garder plus d'un mois en sa possession.

Aucune des personnes ayant le privilège—sur la foi d'une carte du président de l'une ou de l'autre Chambre,—d'emprunter des livres à la Bibliothèque, ne pourra avoir en sa possession plus de deux ouvrages à la fois ou les garder plus de trois semaines, et toutes ces personnes devront remettre les livres ainsi empruntés, lorsqu'elles en seront requises.

Aucun livre de référence, aucun ouvrage de luxe et de prix ne pourra être emporté du siège du gouvernement pour aucune considération.

A chaque Session du Parlement, les Bibliothécaires devront, à la première assemblée du comité mixte de la Bibliothèque, soumettre une liste de tous les livres qui n'ont pas encore été remis au commencement de la Session, en spécifiant les noms des personnes qui auront gardé ces livres contrairement aux règles qui précèdent.

In addition to the foregoing rules, the Joint Library Committee have agreed to the following New Rules, to which the attention of persons frequenting the Library, or making use of any books belonging thereto, is specially requested.

1. It is strictly forbidden to make any mark, by pencil or otherwise, in any books belonging to the Library, or to turn down leaves therein, or otherwise deface the same.
2. No person (other than a member of Parliament) is permitted to have access to any of the Galleries surrounding the Library, without the express permission of the Librarian or unless accompanied by an officer of the Library.
3. No visitor shall be permitted to remain in the Library with his hat on; nor will smoking, or spitting on the floor or carpet be permitted, in any of the Library apartments.
4. No audible conversation will be allowed in the reading room: nor shall any person be permitted to partake of refreshments therein; and no dogs shall be allowed in the Library.

Outre les règles qui précèdent, le Comité de la Bibliothèque a recommandé l'adoption des règles suivantes, dont les personnes qui fréquentent la Bibliothèque, ou font usage des livres qui la composent, sont priées de prendre connaissance :

1. Il est strictement défendu de faire aucune marque, au crayon ou autrement, dans un livre appartenant à la Bibliothèque, d'en plier les feuilles ou de le défigurer d'aucune autre manière.
2. Personne, à l'exception des membres du Parlement, ne pourra monter dans les galeries sans la permission expresse du bibliothécaire, ou sans être accompagné de quelque employé de la Bibliothèque.
3. Aucun visiteur ne pourra garder son chapeau sur sa tête; personne ne pourra fumer, ni cracher sur le parquet ou le tapis d'aucune des chambres de la Bibliothèque.
4. On ne pourra converser à haute voix dans la chambre de lecture; on ne devra pas non plus se permettre d'y manger. On ne laissera pas entrer de chiens dans la Bibliothèque.

REPORT
OF THE
JOINT LIBRARIANS OF PARLIAMENT

REPORT OF THE LIBRARIANS FOR 1905.

To the Honourable the Speaker of the Senate :

To the Honourable the Speaker of the House of Commons :

The Joint Librarians of Parliament have the honour to report as follows for the year 1905.

The course of public discussion during the year has been followed with some care, and members will find the shelves and the card catalogues ready to respond to all demands made upon them for information on current questions.

The necessity of keeping the legal section, especially that part devoted to legislation of the United States and the various States of the Union, up to date, has compelled a reduction in the expenditure for general literature.

During the recess, the French part of the political economy and social science catalogue has been remodelled so as to bring it up to the most modern classification of science. These changes have been made both in the Catalogue by subjects and in the card system.

The card catalogue of the Canadian section of History and Literature has also been completed.

At the last session, a sum of \$100,000 was voted by Parliament for repairs and additions to the parliamentary building. The Librarians understand that out of the said amount a sum of \$80,000 has been set aside to provide increased accommodation to the Library. That larger space is needed in this department, the shelving which the Librarians have been compelled to crowd on the floor of the Library only too evidently shows.

It is to be hoped that when Parliament meets again this long felt want will have been supplied. According to the plans of the Chief Architect of the Public Works Department, the proposed additions will provide space for 180,000 volumes.

Among the donations of the year may be specially noted a valuable collection of the Publications of the Chicago University, presented by the President, the late Dr. Harper, who paid the Library a prolonged visit and exhibited the deepest interest in its contents and management.

The annual list of accessions is in the hands of the King's Printer and will be available for distribution at an early date.

The list of donations is as usual annexed.

The whole is respectfully submitted.

LIBRARY OF PARLIAMENT,
March 6th, 1906.

RAPPORT DES BIBLIOTHÉCAIRES POUR 1905.

A l'honorable Président du Sénat :

A l'honorable Président de la Chambre des Communes :

Les bibliothécaires conjoints du parlement ont l'honneur de présenter le rapport suivant pour l'année 1905.

L'on s'est efforcé de tenir la bibliothèque à jour, quant aux questions publiques débattues pendant l'année ; aussi les députés trouveront-ils, tant au catalogue que sur les rayons les renseignements essentiels sur ces divers sujets.

Vû la nécessité de compléter la section légale, surtout en ce qui touche à la législation des Etats-Unis et des divers Etats de l'union, l'on a dû réduire la somme ordinairement affectée aux achats d'ouvrages littéraires.

Pendant la vacance le catalogue français d'économie politique et de science sociale a été refait d'après les plus récentes classifications de la science moderne. Cette classification a été suivie en ce qui regarde l'ancien catalogue par sujets et le nouveau système par fiches.

On a aussi complété le catalogue sur fiches de la section canadienne d'histoire et de littérature.

Le Parlement, à sa dernière session, a voté la somme de \$100,000 pour additions et changements aux édifices du Parlement. Les bibliothécaires ont appris que sur ce crédit, \$80,000 seront consacrés à l'agrandissement de la bibliothèque. Il faut en effet plus d'espace ainsi que le témoignent les étagères dont les bibliothécaires ont du forcément encombrer le parquet de la bibliothèque.

Ce travail, espérons-le, sera parachevé lors de la prochaine réunion du Parlement. D'après les plans dressés par l'architecte en chef des Travaux publics, les annexes projetées permettraient de placer 180,000 volumes.

On remarquera dans la liste ci-annexée des dons faits cette année à la bibliothèque, la précieuse collection des *Chicago University Publications*, offerte par le président de cette institution, feu le docteur Harper, lequel, au cours d'une visite prolongée, s'intéressa fort à la Bibliothèque et à son organisation.

La liste annuelle des livres achetés depuis la dernière session est entre les mains de l'imprimeur du Roi et pourra être distribuée prochainement.

Le tout respectueusement soumis.
